

Leek Wootton & Guy's Cliffe Parish Directory

Welcome to the Leek Wootton and Guy's Cliffe Parish Directory for 2011/12 which has been produced by the Parish Council.

The Parish Council is the first tier of elected government made up of volunteers working for the good of your community. In this directory we are publishing a comprehensive list of what we hope will be helpful local contact numbers and information together with a list of your Parish Councillors, Clerk to the Parish Council, your District and County Councillors and Member of Parliament.

As well as amenities, community organisations and representatives within the parish boundary, also included are a number of local amenities in the surrounding area. It is the hope of the Parish Council that you will find this directory a useful tool throughout the year.

Entry in the 'In the Parish' section of this directory is free. If you are involved with a community organisation within the parish boundary and would like to be included in future editions of the Directory, [please complete the form on the back page].

The 'Local to the Parish' section of this Directory is a selection of services available in the local area. If you have any suggestions for essential services that are missing, please contact the Clerk to the Parish Council.
